

Silver Award Planning Workshop

**Girl Scout
Silver Award**

Ready to earn your Silver Award, but not sure how to start?

Need inspiration for your project proposal?

Join our live, fully guided 2 session virtual workshop to learn how to pinpoint your interests, move from community service to action, identify root causes, form a team, set goals, and develop a written Silver Award Project Proposal. This session is for Cadettes, with a parent or troop leader encouraged to participate. We'll share practical advice on time management and keeping motivation high.

Note: This does not replace any Silver Award training offered by your council. It is advised that you complete training first so you are ready to begin the written proposal.

For Girl Scout Cadettes, Grades 6-8

\$60.00 per Girl Scout

See www.workshops4girls/schedule/ for dates

This event is provided by [Workshops4girls](https://www.workshops4girls.com/). Highest Awards experts since 2010
